Ah-uh, ah-uh  
Yeah, yeah, yeah  
Lets it go  
Ah-uh, ah-uh  
C'mon, ah-uh, ah-uh  
Lets it go

Painkiller, oh, uh, uh  
Ah-uh, ah-uh  
Ah-uh, ah-uh

Yeah, lets it go  
Ah-uh, ah-uh  
Painkiller, killer, killer, killer, killer

I'm reaching in my cupboard for a painkiller  
Ah-uh, ah-uh, for a painkiller, killer, killer

You see, we work hard, play hard  
Man, I gotta stay charged  
Can't sleep, tired out  
Trouble on my radar  
Runnin' 'round live wire

Had anotha Red Bull  
Everybody's burnin', baby  
Let me come and get a pull  
Isn't it incredible  
That I'm even still awake?  
Still alive, still I take  
Poison that debilitates

Fuck a little line  
We can go ahead and kill a K  
Livin' in the killer's state  
Maybe that's a good excuse

See me taking shots at the bar  
Like I'm bulletproof  
Now my belly full of juice  
I'm walking every day with a  
Bruised lip, battered eye

Beat up stained liver

Ah-uh, ah-uh

I'm reaching in my cupboard for a painkiller

Uh, uh, uh, I need another painkiller

Uh, reaching in my cupboard for a painkiller

Uh, uh, uh, uh, I need another painkiller

They call it painkiller, lets it go painkiller

Uh, uh, uh, I need anotha painkiller

Uh, reaching in my cupboard for a painkiller

Uh, uh, uh, I need another painkiller

They call it painkiller, lets it go

You thought you could take it out

But the world collapse

And you can't see out of it now

You go crazy, baby

Now we live fast, die young

Wish I never tried none

Saturated chemical

But I don't wanna die mum

Maybe you could try some

No point wasting it

First it was a little bit

But now I got my face in it

Run around chasin' it

Everything is so hot

Everybody's screw faced

Looking like so raw

Pressure and it won't stop

Pushing up my heart rate

Arguments and attitude

Mate, you don't wanna start me

Listen man, I can't wait

Now I got a closed fist

Woke up shivering and

Swimming in my own piss

It's just my own risk

A real brain splitta

Ah-uh, ah-uh

I'm reaching in my cupboard for a painkiller

Uh, uh, uh, I need another painkiller

Uh, reaching in my cupboard for a painkiller

Uh, uh, uh, I need another painkiller

They call it painkiller, lets it go painkiller

Uh, uh, uh, I need another painkiller  
Uh, reaching in my cupboard for a painkiller  
Uh, uh, uh, I need another painkiller  
They call it painkiller, lets it go

C'mon, c'mon  
Painkiller  
C'mon, c'mon

You thought you could take it out  
But the world collapse  
And you can't see out of it now  
You go crazy, baby

Ah-uh, ah-uh painkiller  
Uh, uh, uh, uh, I need another painkiller  
Uh, ah-uh, ah-uh, c'mon  
Ah-uh, ah-uh, lets it go, painkiller

You thought you could take it out  
But the world collapse  
And you can't see out of it now  
You go crazy, baby

Ah-uh, ah-uh  
I'm reaching in my cupboard for a painkiller  
Uh, uh, uh, uh, I need another painkiller  
Uh, reaching in my cupboard for a painkiller  
Uh, uh, uh, uh, I need another painkiller  
They call it painkiller, lets it go

Painkiller, uh, uh, uh  
I need another painkiller  
Uh, reaching in my cupboard for a painkiller  
Uh, uh, uh, I need another painkiller  
They call it painkiller, lets it go

Painkiller, uh, uh, uh  
I need another painkiller  
Uh, reaching in my cupboard for a painkiller  
Uh, uh, uh, I need another painkiller  
They call it painkiller, lets it go

Painkiller, uh, uh, uh  
I need another painkiller  
Uh, reaching in my cupboard for a painkiller  
Uh, uh, uh, I need another painkiller  
They call it painkiller, lets it go

C'mon

Painkiller  
C'mon  
Painkiller, killer, killer, killer
