[Chorus]

You know I'm rolling with the FREEEEEEWAY  
My boy don't take no slack  
Rollin down the FREEEEEEWAY  
Were tryin to SEEEEEEE what we can SEEEEEEE  
I'm with the FREEEEEEEE it's all I need the ROC is all I  
need I'm with the Free  
You know I'm rollin down the FREEEEEEEE

[Verse 1: Freeway]

Who you with ma freeway flow too legit to quit  
Not too legit to spit crimes  
Did shoot out on you front steps music  
Put the intro teck to it in front of your step moms  
And I write hooks make you break your neck to it, make  
you like crooks  
Close you eyes I can take you to the hood B  
Closer that you could be bumping the hood chickens  
With intising looks that pack nines half the hood niggaz  
roll with shoties  
Other half got watch they bodies  
From the niggaz with the black mask, snatch cash, fuck  
the lottery  
Even a strong arm robberies strong ties to Bobby  
And it's long time in these lines and lobbies so we all  
grind  
Cops, 6000 and bonnies and we on time let a clip flow  
through your body  
Got the macks, he got the nines, I got the gats, he got  
the ride, we rolling out

[Chorus]

[Verse 2: Freeway]

Verse two you in my will then bitch you close  
To the nigga that make all the moves in the hood  
Rock jewels in the hood feel safe when you come  
through  
Cruise trough the hood and from the ghetto to the  
burbs

My niggaz they pedal birds and hocus pocus smokers  
notice  
I went from every day making a service  
To pulling up to the curb in big ass excursions  
Hogging up the road and my eighth grade teacher Mrs.  
Lee hope you listening  
Something with my life fool something with the right  
fool  
Made it through the night that was night school  
Made the right moves with the right crew don't be  
ridiculous  
Cash rules don't be ridiculous skip school and I'm  
getting it  
Click booms what I get it with still hit fools where they  
living at  
She got the gauge, I got the mack, she got the weed, I  
got the bat, we rolling out

[Chorus]
