(Feat. 50 Cent)

[Chorus: 50 Cent]

Shawty if you love me like your lost and you can't find
your way without me
You gon wake up one day when I'm gone thinking why
did you doubt me
But you better believe me I take it to the, take it to the,
take it to the top
You got to believe me I take it to the, take it to the, take
it to the top

[Verse 1: Freeway]

I made you why would I play you?
Not only showered you with gifts I bathed you
Plus I hit the first night and I stayed too
I know it's early but I just thought I would page you
Hey you!
More then I'm willing and able
You get tired from all the presents that I gave you
Still you
Be acting like you someone faithful
You swear I'm fucking on a rendezvous
When you think of freaking I be on my girl
Even when we not freaking you be on my mind
I'm more mature I'm flipping them dollars
So I can't give you all of my time cause I'm,
24 hours a day stuck in a war
Atleast 8 hours or more cooking them rhymes up
So 16 hours just you can hit the store and you
complaining you want more free time?

[Chorus: 50 Cent]

Shawty if you love me like your lost and you can't find
your way without me
You gon wake up one day when I'm gone thinking why
did you doubt me
But you better believe me I take it to the, take it to the,
take it to the top
You got to believe me I take it to the, take it to the, take
it to the top

[Verse 2: Freeway]

You got to believe me baby I'm making it easy baby
My SWA you watching Feezy baby
I got a mean Mercedes and got a cleaning lady
Heres some advice for you, you better heat it baby
Long as your whip in the room and got a strip on them
booms
So what the fuck do you care cause I live on the road
I'm busy gripping them Ole's that's how you gripping
them clothes
Home I ain't getting no dough I can't be sitting in there
So what they worth is they own baby I'm different then
them
I bring them benjamins in look at the kitchen in there
Look at the living room set look at that thing on your
neck
Matching that thing on your wrist but got some digits in
there
I give a fuck if they stare I give a fuck what they think
I get them budgets in check and put the diesel in there
Don't let them people in there
Gas you up and get you all upset
You win my heart and I'm a keep you there

[Chorus: 50 Cent]

Shawty if you love me like your lost and you can't find
your way without me
You gon wake up one day when I'm gone thinking why
did you doubt me
But you better believe me I take it to the, take it to the,
take it to the top
You got to believe me I take it to the, take it to the, take
it to the top

[Verse 3: Freeway]

And since these feelings at heart are not right I,
Put in position to rock ice right and,
Them other niggas be singing the same song they
might,
Have what it takes but they handle things wrong
You in your mens. or something you want the meaner
man
You got to believe yourself cause I believe in me
I got the Beamer keys I'm just as clean as these
I smoke the greenest trees
Them other niggas be fronting

[Chorus: 50 Cent]

Shawty if you love me like your lost and you can't find
your way without me
You gon wake up one day when I'm gone thinking why

did you doubt me
But you better believe me I take it to the, take it to the,
take it to the top
You got to believe me I take it to the, take it to the, take
it to the top
