So please refrain from hatin (on me!) before I turn out

So please refrain from hatin (on me!) before I turn out

[Verse 2: Freeway]

Don't test my patience because I got the guns to fight

Black Bon Jovi, ?in the rock/Roc love of rock/Roc?  
Jake of watches, ice cickle the time  
Still got time to leave ya stash gone when you wake up

Stay on the grind at all times wit so many nines

Doe like a brink truck, nine on my waist, !!

[Chorus]

[Verse 3: Freeway]

Freeeee! Put the burners to ya crew  
Give me a reason, not to squeeze on ya gang  
Man the hammers go bang to bang  
In wit a bang, bang Blueprint 2  
Before you, slide through to deliver ya gang the thangs  
Switch lanes to get Paid in Full  
Look it's the rich (?) of transporters  
Donvan McNabb of mixtapes, look hey  
Follow the kid's orders in other words do what the kid

We got it locked from the Bay back to Philly  
Where niggas pack millies like every single day  
We don't play, we all about our change and  
Money exchangin, if you bout your pay  
Then every single day, bring the lla to ya city  
Act up, bring the K's to ya city  
Then shots exchangin, every single day [Chorus w/o
