Ch

Down in my area, chk a chk uh real shit nigga uh

It's the ROC

Yeah, Free yeah uh feel me

Pa pause

Yo yo

I was born in West but migrated to North

Remember cold nights grindin' AK and a toss

Four door for the stick up boys if they want war

Fiends comin' all night all I heard was four more

Rocks in the cap when it was jumpin' me and Rell hit
dances

You could pick me out the crowd rockin' the cap

But things change 'cause my man Rell fightin' a body

On state row where it's so cold

Rockin' his blues, I roll with the ROC

Still trynna rock at a show shit ain't like '98 niggaz
pockets is low

Which way do I go? Indictments blew over

Man whipped a few shoulders shovel nick boulders
gettin' it slow

Me, I'm in the studio switchin' the flow

Changin' the styles my son and daughter need
pampers

'Cause they just shittin' them up and changin' the size

My man Just quipped the Jags see the change in his
eyes

And I eat, sleep, buy, sell drugs

'Cause I'm just another victim of the ghetto

When I rob, steal, lie to get money, bust slugs

'Cause I'm just another product of the ghetto

And I eat, sleep, buy, sell drugs

'Cause I'm just another victim of the ghetto

When I rob, steal, lie to get money, bust slugs

'Cause I'm just another product of the ghetto

This is how it goes down in these ghetto streets
This is how it goes down in my neighborhood
This is how it goes down in these ghetto streets
This is how it goes down in my area

My man blingin' platinum wheel, platinum gat
Took a trip down South came back with platinum caps
I'm still trynna write platinum raps
But made a slight change from verse one started
jugglin' packs

It's like I'm travelin' backwards
Rewindin' the time putting four on nine
Must be outta my mind nine, get it outta my palm
Just grab four and a half get it outta my trunk

Free we need you at the studio, out to lunch, out on the
block
These niggaz just pulled out on my man
And the only rock I worry 'bout is right on my face
We 'bout to go shake, rattle his block with no plans

Shots fired, cops came
But I'm a grown man I stick around till my clip is empty
Cops threw me on the ground when my clip got empty
Now bars is all I see a thug is all I'll ever be

And I eat, sleep, buy, sell drugs
'Cause I'm just another victim of the ghetto
When I rob, steal, lie to get money, bust slugs
'Cause I'm just another product of the ghetto

And I eat, sleep, buy, sell drugs
'Cause I'm just another victim of the ghetto
When I rob, steal, lie to get money, bust slugs
'Cause I'm just another product of the ghetto

This is how it goes down in these ghetto streets
This is how it goes down in my neighborhood
This is how it goes down in these ghetto streets
This is how it goes down in my area

I got, 11 in I was facin' a dub, got nine left
My click show love they write back
My cousin M's son, little Di he's so grown
Said he hold chrome, run blocks, and write raps

Wrote him right back told him I control the bones
Try to play the phone we could rhyme and hold wax
Leave that drug shit alone don't forget you grown
It'll put you places where your mind can't get you back

from

Little nigga ain't write me back since
Still supply the jail L. Pridgon you got mail
It's probably all the letters you wrote him
What you mean? All the fucked up shit you told him

This shit from my cousin Emily I'm quotin'
Right out her letter
Little Di, got popped in the head tryinna steal a nigga
leather
That's what the cops said but the streets could tell you
better

And I eat, sleep, buy, sell drugs
'Cause I'm just another victim of the ghetto
When I rob, steal, lie to get money, bust slugs
'Cause I'm just another product of the ghetto

And I eat, sleep, buy, sell drugs
'Cause I'm just another victim of the ghetto
When I rob, steal, lie to get money, bust slugs
'Cause I'm just another product of the ghetto

This is how it goes down in these ghetto streets
This is how it goes down in my neighborhood
This is how it goes down in these ghetto streets
This is how it goes down in my area
