You keep coming to me
I can feel your dynamite
The way you move
Get in the groove
You're driving me crazy
Crazy for you

Step in time
You move your feet
It's time for us
To Boom Boom

You can come get close to me
And feel the burning fire

Feel the time you got the beat
It's time for us to boom boom
Get to sing this funk in me
And feel my strong desire

(Chorus)
Boom boom boom
Lets go back to my room
So we can do it all night
And you can make me feel right (end 3rd time)
Whoaaa X3

To be or not to be
Dont you know I like your bite
Get to the view
Closer to you
You're driving me crazy
Crazy for you

Step in time and move your feet
It's time for us to boom boom
You can come get close to me
And feel the burning fire

Feel the time you got the beat
It's time for us to boom boom
Get to see this funk in me

And feel my strong desire

(Back to chorus)X4

Boom Boom Boom Boom
I want you in my room
And spend the night together
From now until forever

Boom Boom Boom Boom
I want to go boom boom
And spend the night together
Together in my room

Together in my room

And spend the night together
From now until forever

Boom Boom Boom Boom
I want to go boom boom
And spend the night together
Together in my room

And spend the night together
From now until forever
