I love it

had a good idea the other day  
gonna start a new band and we'll learn to play  
yeahhhhhh  
we'll be the best  
if you're looking for our record at the mall  
well here's the thing, we'll be called  
braaaaainpower

brainpower! (7x)

did I mention I was drunk

when I thought it up  
it was kinda dumb  
noooooooooooooo  
maybe not the best  
it is not a good band name  
no, I should have used that very same  
braaaaainpower that I'd mentioned before

brainpower! (7x)
