follow that fantasy sound

first time that I met you I could not forget you
from the moment that you appeared
chemical reaction, immediate attraction
you're already pulling me near

you're so fun, my magnetic one
you're my polar opposite
I'll enjoy my magnetic boy
there's no guilt because of it

I tried to resist it, your strange computer soul
follow that fantasy sound
my face, when you kissed it, I think I lost control
all of my faculty's down
(all of my faculty's down)

follow that fantasy sound

it's like you could see through me, you already knew
me
you're always a few steps ahead
now certainly it's seeming you're there when I'm
dreaming
you're the song that's stuck in my head

you're so fun, my magnetic one
you're my polar opposite
I'll enjoy my magnetic boy
there's no guilt because of it

I tried to resist it, your strange computer soul
follow that fantasy sound
my face, when you kissed it, I think I lost control
all of my faculty's down (2x)
(I follow that fantasy sound)
(all of my faculty's down)

you're so fun, my magnetic one
you're my polar opposite

I'll enjoy my magnetic boy
there's no guilt because of it
(2x)

I tried to resist it, your strange computer soul
follow that fantasy sound
my face, when you kissed it, I think I lost control
all of my faculty's down

all of my faculty's down

all of my faculty's down (4x)

follow that fantasy sound (4x)
