(k. crooker)

I'm just like you, we're all the same
we sing and play, our funny games
now a mistake, it all went wrong
everything's changed, and now I don't belong

are you afraid of me?
I'm not like you
I'm full of jealousy
what can I do?
no one to purchase me
I've had my fill
and then it dawned on me
get drunk with milk

I ran away, no one is there
so far away, no one to care
I miss my friends, but do they know?
I should return, to them in hokkaido

are you afraid of me?
I'm not like you
I'm full of jealousy
what can I do?
no one to purchase me
I've had my fill
and then it dawned on me
get drunk with milk (2x)

I don't act like them
no self esteem
I don't look like them
I often dream
I'm on my own
and that's ok
they all get sold
while I can sing and play

I'm not afraid of me, I'm not like you
there's no more jealousy

nothing to prove
I sit here thirstily
and wait until
the time is right for me
get drunk with milk (3x)

(nothing to prove, I'm not afraid)
get drunk with milk
(4x)

get drunk with milk
