a white house, a white room  
the programme of today  
lights on, switch on  
your eyes are far away  
the map represents you and the tape is your voice  
follow all along you 'till you recognize the choice

I take pictures, photographic pictures  
bright light, dark room (2x)

I said I'd write a letter, but I never got the time  
and I'm looking to the day I mesmerize the light  
the years I spent just thinking of a moment we both  
knew  
a second passed like an empty room, it seems it can't  
be true

I take pictures, photographic pictures  
bright light, dark room (2x)

I take pictures, photographic pictures  
bright light, dark room (10x)  
bright light

(I take pictures, photographic pictures)  
(2x)
