Pretty boy it's time to wake up  
It's already after ten o'clock  
Pretty boy put on your make up  
It's time to leave  
It's time to get ready to rock

Hey pretty boy find something to wear  
There's a party  
Up and down the block  
Pretty boy put some gel in your hair  
It's time to leave  
It's time to get ready to rock

I try to wait and I try to be good  
I try to wait cuz you know I should  
Can't be held back  
When the streets call my name  
I'm dressed in black and  
I'm feelin no shame

It's time for me to rock

Hey pretty boy put on your pouty face  
Climb down the stairs  
I've got the door unlocked  
Pretty boy I wanna leave this place  
It's time to leave  
It's time to get ready to rock

Pretty boy I can't wait no more  
It shouldn't come at such a shock  
Pretty boy I'm out the door  
It's time to leave  
It's time to get ready to rock

I try to wait and I try to be good  
I try to wait cuz you know I should  
Can't be held back  
When the streets call my name  
I'm dressed in black and  
I'm feelin no shame

It's time for me to rock

Pretty boy it's time to wake up  
It's already after ten o'clock  
Pretty boy put on your make up  
It's time to leave  
It's time to get ready to rock

Pretty boy I can't wait no more  
It shouldn't come at such a shock  
Pretty boy I'm out the door  
It's time to leave  
It's time to get ready to rock
