(robotron 2-0-0-2)

world is gonna end (4x)
with my robotfriend (4x)

the worlds in chaos now it's Y2K
he wants me in that special way
and whisper in his robot voice:
"all your bases are belong to robotron 2002"

ro-bo-tron (4x)
(2002)

never felt like this before (4x)
fell in love before too long (4x)

and when the air raid sirens wail
he holds me in his metal arms
whispers in his soothing robot voice:
"all your bases are belong to robotron 2002"

ro-bo-tron (4x)
(2002)
