T dj  
T dj

somepeople ride the T  
they ride it every day  
sometimes they get to see  
the famous T dj

the music's in the air  
sometimes it's in his mind  
with bleach-blond afro hair,  
he's not too hard to find

T dj, he does alright  
he makes us dance on a friday night  
drives the green line with his groove  
he can make all the people move

T dj

some people ride the T  
they ride it straight or gay  
nothing but drum beats matter  
to the T dj

a big collection of  
gay pride pins on his vest  
trains are his obsession  
T dj is the best

T dj, he does alright  
he makes us dance on a friday night  
drives the green line with his groove  
he can make all the people move

he makes us dance on a friday night  
drives the green line with his groove
