this is the number one song in heaven  
written, of course, by the mightiest hand  
all of the angels are sheep in the fold of their master  
they always follow the master and his plan

this is the number one song in heaven  
why are you hearing it now, you ask  
maybe you're closer to here than you imagine  
maybe you're closer to here than you care to be

(number one song)  
(3x)

it's number one all over heaven (3x)  
the number one song all over heaven

if you should die before you awake  
if you should die while crossing the street  
the song that you hear, I guarantee

it's number one all over heaven (3x)  
the number one song all over heaven

the one that's the rage up here in the clouds  
loud as a crowd or soft as a doubt  
lyrically weak, but the music's the thing

gabriel plays it, god, how he plays it (3x)  
gabriel plays it, let's hear him play it

the song filters down, down through the clouds  
it reaches the earth and winds all around  
and then it breaks up in millions of ways

it goes la la la, la la la la la  
la la la, la la la la la (3x)

ooh, in cars it becomes a hit  
and in your homes it becomes advertisements  
and in the streets it becomes the children singing

ooh la la la la, la la la  
number one song  
(5x)

(number one song)  
number one song  
(number one song) (3x)
