I am trouble walkin'  
I am every mother's nightmare  
I am trouble walkin'

Out on the street there's a lesson learned  
You play with and you'll get burned  
On the newsstand there's another book  
Out on the street what count is the way you look

There aint no doubt I got what you need  
You'll be beggin' baby please, please, please  
With every switch sharper than a blade  
I got you in my sights you can't escape

There aint no doubt I got what you need  
You'll be beggin' baby please, please, please  
With every switch sharper than a blade  
I got you in my sights you can't escape

No matter where you run  
No matter where you hide  
Out here there's a rule you'll find  
Only the strong survive

There aint no doubt I got what you need  
You'll be beggin' baby please, please, please  
With every switch sharper than a blade  
I got you in my sights you can't escape
