go-go, cairo let's hop on a bus
bulletproof windows, dont put up a fuss.
go-go, tokyo let's hop on a plane
it's all so cute, it's so insane

sun is fun but the rain is fine, too
we could get it on in our hotel room
dance in france and eat baguettes
don't you know that's as good as it gets

daily routine is getting me down
i've got places to be
now is the time to get out of town
vacation time, so come with me

go-go,monaco let's hop on a bike
too many beaches that I like
go-go, rio let's hop on a boat
so many clubs, let's put it to vote.

okay, let's play roll the dice
at the casino, they treat you nice
let's flee to the sea take a trip
a fancy cruise on a swanky ship

daily routine is getting me down
i've got places to be
now is the time to get out of town
vacation time, so come with me

sun is fun but the rain is fine, too
we could get it on in our hotel room
dance in france and eat baguettes
don't you know that's as good as it gets

daily routine is getting me down
i've got places to be
now is the time to get out of town
vacation time, so come with me
so come with me
so come with me
so come with me

so come with me
