Wake up Jack get ready  
Here we come to rock this town  
Hold on tight and steady  
Over under sideways down

You must feel the power  
Fix your eyes upon the stage  
Watch us now devour  
Everything that gets in our way

Your fascination with my creation  
Adds stimulation rock til you drop  
Hard rock nation lost generation  
End the frustration get shot full of rock  
Get shot full of rock get shot full of rock

Taste the hard rock candy  
Guaranteed to melt in your mout  
Jump back now Jim Dandy  
East west north and south

Your fascination with my creation  
Adds stimulation rock til you drop  
Hard rock nation lost generation  
End the frustration get shot full of rock  
Get shot full of rock get shot full of rock

Catch the rush all over  
Take a chance if you dare  
Aint got time for posers  
Look out Dick you better beware

Your fascination with my creation  
Adds stimulation rock til you drop  
Hard rock nation lost generation  
End the frustration get shot full of rock  
Get shot full of rock get shot full of rock

You must feel the power  
Fix your eyes upon the stage  
Watch us now devour  
Everything that gets in our way

Your fascination with my creation  
Adds stimulation rock til you drop  
Hard rock nation lost generation  
End the frustration get shot full of rock  
Get shot full of rock get shot full of rock
