I know I'm not a bad guy but I try to do what's right
Everyone who comes to me do not understand or see
my plight
Everything I've ever done
All the plans I had in sight
Always missed and gone wrong in a way
Until I gave up and said alright let me alone
'cause no one wants to be hanging around with
someone messin up like me
I guess my way isn't good enough
When I try I just keep on wrecking stuff
It seems everybody knows but me
How to go what to do and where to be
Everywhere I go they all talk the same
They don't even ave to try
They make me feel so lame
Friends and jobs have come and gone
No matter what I do it goes on and on
I wonder if you sometimes feel this way
And do you lay awake at the end of the day?
When I lose everytime I win 'cause
No one will ever be
Messin up stuff and doing things wrong
Quite like me
No one will ever be like me
