Sat back  
and i light a cigarette  
these pictures  
of you in my head  
i feel like shit  
and my eyes are burning  
but still,  
i just can't go to bed

whiskey nights  
and missed mornings  
still these pictures  
of you in my head  
i drown myself  
ten feet deep tonight  
remembering  
things we said

moments get stuck  
in my brain  
in my blue skies  
and my rain  
you are so beautiful to me  
i can't wait  
to see you again  
x3

here comes  
that old pain again  
i can't see far  
i'm looking up at the stars  
the pain starts with the sunrise  
and pictures of you in my head...
