To old to bother to young to care, standing all alone  
Lost in my mind somewhere, so many unknown  
questions  
I've got to take another step on this sole adventure

Why is it, I can't see what I need to be  
I wish, I had some ideas about my destiny

I don't know what it is I'm looking for, I can't find it  
anywhere  
I never felt like this before I got no ideas what is I try to  
find  
I've got a strange feeling, I'm lost in my own mind

Why is it I can't see what I need to be  
I wish, I had some ideas about my destiny

To old to bother to young to care a bunch o' times
