When she's so cold to me  
I'm always in trouble, I never know why  
She has two sides, she changes her mind  
I just wanna get off this ride  
Step aside and let the storm pass me by

When it's good it's great  
And we lay side by side  
She curls up in my arms  
Everything is all right  
Don't wanna kill these good vibes  
Still it happens all the time  
There's no reason why

Call it in the air, everything's fair  
I love you like a fool, what can I do?  
My coin toss girl

Call it in the air, everything's fair  
I love you like a fool, what can I do? What can I do?  
My coin toss girl

When she's so cold to me  
I'm always in trouble no matter what I try  
I get denied, happens all the time  
It's a roller coaster ride  
Thrills and spills so sky high  
I'm so glad she's mine  
Yeah, a million reasons why

Call it in the air, everything's fair  
I love you like a fool, what can I do?  
My coin toss girl

Call it in the air, everything's fair  
I love you like a fool, what can I do? What can I do?  
My coin toss girl

I think I'd like to marry her  
I think I'd like to bury her  
I think I'd like to marry her  
I think I'd like to bury her

Call it in the air, everything's fair  
I love you like a fool, what can I do?  
My coin toss girl

Call it in the air, everything's fair  
I love you like a fool, what can I do? What can I do?  
My coin toss girl  
My coin toss girl  
Oh yeah, my coin toss girl

I play it so cool, I love you like a fool  
My coin toss girl  
Oh yeah, my coin toss girl
