East Coast! Fuck you!
East Coast! Fuck you!
East Coast! Fuck you!
E A S T

You may think we're weather martyr's
But snow and ice makes us rock harder
Punkers should be pale and pasty the pizza
Fierce and tasty

East Coast! Fuck you!
East Coast! Fuck you!
East Coast! Fuck you!

NYC, Boston, DC
[Incomprehensible]

Go out West and play some shows
Then we know it's time to go
Pack the truck, time on back
New York's better and that's the fact

East Coast! Fuck you!
East Coast! Fuck you!
East Coast! Fuck you!
