Happy hour's next door
But you'll have to brave the down pour
I'm staying here, where I can get a song
Free with my drink to smooth things along

The bartender, he looks kind of sauced
But he always knows what's going down
It's how you carry yourself here
At the holiday cocktail lounge

I didn't talk or say much but I got to know a lot
The greatest delicacies of Spain
The effects of rain on your brain

Another drink with my free song
The usual things, they come and move along
Here at the holiday cocktail lounge

I have heard some places can change how you feel
It's not something you can see but I think that it's real
Words that were spoken of passing thoughts in the
mind
Somebody just rolled through and they left them
behind

Maybe they sat in this very stool
And didn't make a sound
They just came and went here
At the holiday cocktail lounge
