I don't know what other people see  
Or what they think is love  
But I know know what it means to me  
I fall in love so easily

And it's hard to let your guard down  
Something you never wanted to  
But I gave you my love and if you turned away  
I guess I'd be screwed, but

I'm a hopeless romantic  
You're just hopeless

I'm a hopeless romantic  
You're just hopeless

Beer and wine does me fine but  
It doesn't always do  
When I get back up and dust off  
I always come back to you

I'm my own man with my own plan  
I can't do the things you want me to  
I'm kinda lazy and I kinda stink  
But I'll clean myself up for you

I'm a hopeless romantic  
You're just hopeless

I'm a hopeless romantic  
You're just hopeless

You're just hopeless  
You're just hopeless
