I love your eyes so much
I wanna poke 'em out
I love your legs so much
I wanna break 'em off
I love your hair so much
I wanna rip it out

You played a game with the wrong motherfucker
Violent love, my violent love

Love ya so much
I wanna kill ya
I love your face so much
I wanna smack it off
I love your pants so much
I wanna pull 'em down

Got nothing but love today whip it out and fire
Away can you feel the pain in my heart?

Look at me again and I'll hit ya
Hate ya so much, I wanna kill ya
Love you so much, I wanna love ya
Touch me again and I'll kick ya
You're my precious little girl
You mean more to me than the world
