This is a song about a jkerk friend of ours, his name is lammar vannoy!

Lamar vanoy!
He was only 16 and he knew he wasn't like anyone else

Listening to his records in his room he knew

something had to change somewhere or he would go insane

but when some years slipped by and he still felt the same.

people and money came and went but the only thing that stayed the same

were the feelings he felt when those records played
he drinks 'til he falls down

Oi oi oi oi, his name is Lamar Vannoy!

Hes looking for something and

Hes gunna find it

Oi oi oi oi

And his name is lamar vannoy!

Me and Lamar in NYC on the avenue

talking about nothing much

with a bag of brew the New York wind

will blow and he will wears his engineer boots

motorcycle jacket black jeans nowhere to go

nothing to do

so much has gone

wrong and so much is bad but sharing

this music with Lamar there is so
much we have

he drink's and think's

about a girl who lies

oi oi oi oi and his name is Lamar Vannoy

he'll wake up and

go to work with a swollen brain.

Oi oi oi oi

and his name is Lamar Vannoy

once again thank you all for showing up at the
continental in new york city, and if you don't do
anything, then well at least have a good time
he drinks 'til he falls down

Oi oi oi oi, his name is Lamar Vannoy!

Hes looking for something and

Hes gunna find it

Oi oi oi oi

And his name is lamar vannoy!

Ah-ha...

Ah-ha...

Hey man wouldnt you know it? we're redording this and

I break a string on the third song

Hey wait I'm really outta tune too so hold on

Ay Pete sucks

makes sense to me your always breaking strings
anyways

oh shit sorry, I thought I'd get in tune
