I saw you walking past me just the other day,
Another heartbeat with thoughts of yesterday
You looked the same, years are only time,
I still wonder why our hearts could never rhyme.
You stood beside me, you didn't recognize me.,
Funny how things never change.
And when you walked on by a memory surprised me,
Smoking cigarettes, your girlfriends by the pool.
Your smell I could not forget,
That's as close as i could get
You were so fucking cool.
I'm no good,
You're no better,
Wouldn't we be perfect together?
All I wanted was a piece of your heart,
You left me torn apart.
Fuck the rest before me and their crimes,
For your love I'll serve their time
I'm no good,
You're no better
Wouldn't we be perfect together?
