(Verse 1)

I was alone I decided to get up  
I decided to get out I picked up the phone  
And gave my boys a shout  
Told em I'd be out around nine,  
No particular plan,  
Just whatever comes to mind

(Break)

(Verse 2)

(Pete) - Bryan called me up and said there's a show  
tonight,  
And do ya wanna go tonight  
(Bryan) - I'm giving my girl the night off,  
'Cause I'm hanging out with Steinkopf  
Whenever I'm down I know where my friends can be  
found,  
Whenever there's a doubt I just have to shout

Oi! (chants x16)

(Chorus)

He's my friend he's my alibi,  
My accessory to the crime  
A bond that will never die, 'Til the end of time, 'Til the  
end of time

Another night and we got somewhere to go,  
Goin out meeting up at the punk rock show,  
Where the air is hot and the music is loud,  
My kind of place this is my kind of crowd  
And we'll be here till the night is done,  
Loyal to my friends and sworn to fun

(Repeat chorus with back-up Oi! chants (x40)

He's my friend he's my alibi,  
My accessory to the crime  
A bond that will never die, 'Til the end of time  
'Til the end of time

'Til the end of time
