Monday morning, I woke up late  
I feel like shit and I can't see straight  
One last drink was a bad idea  
I'm on the bowl with diarrhea

Out the door in a fog  
Barked at by the neighbors dog  
Forgot my keys, I went back inside  
I got a flat, so I can't ride  
The phone rings, aw jeez, now what?  
I'm an idiot, so I pick it up, hello

Now I'm held up on my line  
My cretin landlord, he's wasting my time  
He wants his money or we go to trial  
He's got penis envy denial

Another weekend, I didn't get laid  
It's a Monday morning ant brigade  
Another weekend, I didn't get paid  
It's a Monday morning ant brigade

Fuck it all, no regrets  
I'm staying in and you can bet  
It sucks outside in the pouring rain  
I'll smoke some pot, fry my brain  
Thom cut the record down to the bone  
I'm a sure shot, rocking the microphone

Another weekend, I didn't get laid  
It's a Monday morning ant brigade  
I got the Monday mornings  
I got the Monday mornings  
I got the Monday mornings  
I got the Monday mornings

Monday  
Monday  
Monday

Monday morning ant brigade
