We're gonna have a party
We're gonna have a party
We're gonna have a party
We're gonna have a party
It's gonna pay the bills

There's gonna be some beer
There's gonna be a show
Let's go call the wall
Let everybody know

Ernie ate five fritters
He's dying for another
We won't invite your dad
But we will invite your mother

We're gonna have a party
We're gonna have a party
We're gonna have a party
We're gonna have a party
It's gonna pay the bills

Stevie D showed up in his gremlin
He's running from the pigs
We tried to clean up the backyard
But we got no help from Wig

Ill Phill Deville and Cool Hand Bill
They came to dance, they came to swill
Tim Chunks got lost on route 18
He can't drive, he's from Queens

We're gonna have a party
We're gonna have a party
We're gonna have a party
We're gonna have a party
It's gonna pay the bills

The Sticks and Stones Crew brought some wine
They'll be here for a while
The dog is dancing in the driveway
Picking chicken style

The Dairy Swill Girls, the demos are here
Pablo's playing darts
Lando's in the driveway
Lando's breaking hearts

We're gonna have a party
We're gonna have a party
We're gonna have a party
We're gonna have a party
We're gonna have a party
