I wanna make you know  
I can do everything  
But I don't ever show you  
How I really am  
I wish I could say  
I have no regrets  
I wanted too much from you

I don't wanna be this way  
I kick myself I wish I could say  
I have no regrets today

But I'm so nervous that I lose my cool  
Every time I pick up the phone  
And try to call you  
Standing out in the freezing cold  
Until I'm numb wondering why  
I'm always acting so dumb

I don't wanna be this way  
I kick myself I wish I could say  
That I have no regrets today

Things just happened  
To turn out this way  
I can't say I have  
No regrets today

Things happen  
To turn out this way  
I cant say I have  
No regrets today
