I spent some time saying some things I didn't want to
say
Convincing someone of something about me
Not a lie, but not the truth in a way

Slipping into a suit and tie or walking in some shoes
I got lost in that disguise, I guess I had something to
prove
But the proof is there in what I do

Talk is cheap and clothes make the man
If it's not a disguise and you know where you stand
I'm a clown, I'm a monkey, maybe I'm a jerk

Whatever you make me out to be but I know the
difference
And what you say doesn't matter to me, I don't care
what you think
I'm gonna do what I have to do, say what you wanna
say
Talk's a waste of time with you
