I'm beatin' down doors  
Stumbling down the Street dialing the telephone  
Up all night up all morning  
Right here is my home

But I know I don't even have to try  
I'm a single successful guy

Lonely with my friends  
Lonely with my favorite girl  
Lonely when I'm all alone  
If you're gonna talk I gotta listen because right here is  
my home

It's easy I don't have to try  
I'm a single successful guy

My ears are ringin loud  
But I can't hear a sound  
I'm carrying all I own and my heart is heavy in my chest  
Right here is my home

Its easy I don't have to try  
I'm a single successful guy
