The Something Special - Bouncing Souls
We can't agree on a single thing
I don't know why,
We almost killed each other, on the inside.
I managed to be a jerk anyway,
It doesn't have to be this way

Forget about the things I said
I make no excuse for them.
I want to start again
I want to start again

We all walk our seperate ways
I don't know why
I hope we meet again, somewhere some day
I can't chage the way you feel
It doesn't have to be this way

Forget about the things I said
I make no excuse for them.
I want to start again
I want to start again

I think about the two of us
I don't know why
I feel good on the inside
It's different now, I'm one I stand alone
I have to be this way
I have to be this way

Forget about the things I said
I make no excuse for them
I want to start again
I want to start again
I want to start again
I want to start again
Forget about the things I said x3
(forget about...)
