We can't agree on a single thing, I don't know why
We almost killed each other on the inside
I managed to be a jerk anyway
It doesn't have to be this way

Forget about the things I said
I make no excuse for them
I want to start again
I want to start again

We all walk our separate ways, I don't know why
I hope we meet again, somewhere some day
I can't change the way you feel
It doesn't have to be this way

Forget about the things I said
I make no excuse for them
I want to start again
I want to start again

I think about the two of us, I don't know why
I feel good on the inside
It's different now, I'm one, I stand alone
I have to be this way
I have to be this way

Forget about the things I said
I make no excuse for them
I want to start again
I want to start again
I want to start again
I want to start again

Forget about the things I said
Forget about the things I said
Forget about the things I said

Forget about
Forget about
Forget about
