We love fun, we're going out and having some  
We love fun, you know we're gonna have a ton  
Put on your fun shoes  
Fun just made the front page news  
Put on your party pants  
The time has come for us to make a stance

We love fun, we're going out and having some  
We love fun cuz being sad is really dumb

Na na na, na na na na na na na  
Dilligaf cuz we're having all the laughs

Na na na, na na na na na na na  
Dilligaf cuz we're having all the laughs

We love fun, we're going out and having some  
We love fun, you know we're gonna have a ton  
Put on your fun shoes  
Walk away and throw away your blues  
Put on your party pants  
We're making music and we think you ought to dance

We love fun, there's more to life than what you see  
We love fun, to have fun is to believe
