No matter how I try
I cannot say goodbye
No matter how I try
I cannot say goodbye

Goodbye, goodbye
Goodbye, goodbye
No matter how I try
I cannot say goodbye, goodbye

No matter how I try
I cannot say goodbye
No matter how I try
I cannot say goodbye

Save my soul from dyin'
Save my heart from cryin'
No matter how I try
I cannot say goodbye

La, la, la, la
La, la, la, la, pa
Aah
Goodbye, goodbye

La, la, la, la
I cannot say goodbye
La, la, la, la
No matter how I try
Aah

I cannot say goodbye
I cannot say goodbye
I cannot say goodbye
I cannot say goodbye
