I want your love, I want your love
I want your love, I need your loving
I want your love, give me your love
I want your love, I need your loving

Je t'aime, je pense ÃfÃ toi

I do it for you
Touch me, nothing is taboo
Care for me, make it true
I wanna spend the night with you

It's only you on my mind
For always I'll be by your side

I want your love, I want your love
I want your love, I need your loving
I want your love, give me your love
I want your love, I need your loving

My love is blind
Can't control this feeling inside
I do as you like
Gonna give you all my loving tonight

I never thought this would happen
It feels like I'm in heaven

I want your love, I want your love
I want your love, I need your loving
I want your love, give me your love
(I want your love)
(I want your love)
I want your love, I need your loving
(I want your love)

I want your love
I want your love, I need your loving
(I want your love)
I want your love
I want your love, I need your loving

Je t'aime, je pense Ã toi, je t'aime
Je pense Ã toi, je t'aime

Dis-moi que tu m'aimes sans rien oublier
Enlacés, effacés, tous ces jours brûlés
Ces jours qu'on a passés

I want your love, I want your love
I want your love, I need your loving
I want your love, I want your love
I want your love, I need your loving
(I want your love)

I want your love, I want your love
(I want your love)
I want your love, I need your loving
(I want your love)
I want your love, I want your love
(I want your love)
I want your love, I need your loving
