Je ne sais pas pourquoi
Why do you break my heart in two?
There's no reason for what you do
But I'm still in love with you

Je ne sais pas pourquoi
I'm thinking of you everyday
Oh baby, please don't go away
I love you more than words can say
I love you more than words can say

Another lonely night
Without you by my side
Hope you might change your mind

Another lonely night
It's hurting deep inside
It's killing me that's true
But I won't let you go

Je ne sais pas pourquoi
Why do you break my heart in two?
There's no reason for what you do
But I'm still in love with you

Je ne sais pas pourquoi
I'm thinking of you everyday
Oh baby, please don't go away
I love you more than words can say
I love you more than words can say

Another lonely night
Without you by my side
It's killing me that's true
But I won't let you go

Je ne sais pas pourquoi
Why do you break my heart in two?
(Break my heart in two)
There's no reason for what you do
(Reason for what you do)
But I'm still in love with you

Je ne sais pas pourquoi
I'm thinking of you everyday
(Of you everyday
Oh baby, please don't go away
(Baby, please don't go away)
I love you more than words can say
I love you more than words can say

Je ne sais pas pourquoi
I love you more than words can say
I love you more than words can say
