Islands and inside down
Riding the next line downtown
Shadowed when it slowed down
Why did it stop so loud now?
Time is what we got out
Why do we stay tied down?
To staring the sidewalk down

I been running since then
And they started to complain
And it started to get older
In the state that it's in
Every days just the same
And this time it started over

This morning we're at it again
? like love my ?
? like ? the skin
Once we stop
Have you ever stopped where?

Well

Child's screaming at a way-out ball
Looking very fine all the people that you walk
Ringing one time bells
Ringing one time bells

Another town I'll be critical
Working all the fun when we're rid of it all
Ringing one time bells
I answer

The neighbours they're at it again
The ? below won't matter
They're running a sound from within
Once they stop
Have you ever stopped when?

La la la laa
La la la laa

La la la laaaaa
La la la laaa
La la la laaa
La la la laaa
La la la laaaaa
La la la laaa
