Yes, I bet you are
Sitting in your car
Beaten all around
Beaten on the ground

Yes, I bet you are
Dying to go far
Beaten on the wall
Weakened after all

Yes, I guess you are
Sitting in your car
Running all around
Running in the ground

Yes, I see you walk
Laughing as you fall

Gone about it wrong
Taking far too long

Yes, I bet you are

Yes, I bet you are
At your pleasure are
Beaten all around
Beaten on the ground

Yes, I bet you are
Dying to go far
Beaten on the wall
Beaten after all

Yes, I bet you are
