You, getting you off  
Getting me nowhere  
Playing the kid  
You're such a kidder

We  
We could be prisoners  
Locked up together  
But you've got your own clean record  
And I

I can begin again and give one try  
Hold up my own and watch you come now  
If you're sleeping I will let you lie  
If you're sleeping I will let you lie

You getting you off  
Getting me nowhere  
Playing the kid  
You're such a kidder

We  
We could be prisoners  
Locked up together  
But you've got your  
Own clean record  
And I

I can begin again and give one try  
Hold up my own and watch you come, oh oh  
If you're sleeping I will let you lie  
If you're sleeping I will let you lie

Been keeping my ear pressed to the ground  
Been passing fingers over things that I found  
And when the golden boy turns brown  
Well you set em up set em up set em back down  
(Destro destroyer)

Been keeping my eyes pushed on the wall  
Been backing thing is over  
And when four of us turn sour

Well you set em up set em up set em back down

Destro destroyer

Destro destroyer

Destro destroyer

You oughta know
