Ohhh Ohhhhh

I see you over there lookin so fine I just can't take it
I've seen girls like you in here before
so I think I know whats in store
Il take you back to my pad now babe
and show you a real good time
Put on a French Kiss album from circa 1989

I want you to lose control
From your head to your toes

(Chorus)
Cuz I'm gonna take ya down
To the best show in town
I'm gonna teach ya howta rock
Till we crash into the ground

It doesn't matter what you wear
Baby you don't need underwear
I'm gonna teach you how to rock

Cruisin so fast down the highway baby
On my motor-bike
With a hot chick like you on the back
Man, I feel so alive

This night is our oyster
We can do whatever we please
Rock and roll is so rad
It's the bees knees

(Chorus)

It doesn't matter what you where
This next solos in the key of E
So ya better be prepared to get your ass kicked! Yeah!

Everytime that we're together babe
we seem to get in trouble
But that's ok with me because your D's are double

This night is our oyster
We can do whatever we please
Rock and roll is so rad
It's the bees knees

(Chorus)

(Chorus)

To rock
To rock
To rock
To rock!
