French Montana:

I just wanna rock and lock the strip down
Pounds in the Ziploc, lock about six towns
Six rounds hit ya, make ya spin round
Call me like 40 for a brick now
Make about 100 on the breakdown
Word to my syrup from H-Town
Pound hit ya, ya leg shake like James Brown, lay down
Fuckin' wit' ya face down, homie in the mil for a deal is
what I make now
Nigga do the breakdown
I just wanna lay back, stack kuz I hate rap
Grease close the shades on the Maybach
Say that cops gon' chalk him out, or niggaz gon' knock
him out
Homie let 'em take a stagenap
Shades black while I'm cruisin' through the same trap
Rap kuz I made it, what you crying for, like a iron
board, let 'em lay flat
Or you know what, I'll call Tru and get ya chain back
And ring back, here homie you can get ya name back
