All these bitches hate you  
This is something I know  
Because you really love to give it up  
There ain't nothing wrong with groupie love  
You're the only one I notice  
It's really hard for me to focus, yeah  
Cause my body so numb  
All I do is kill pain  
All I do is smoke loud  
Put you n-ggas to shame  
I be rolling all day  
Mix it in the champagne  
And these bottles all free  
Not a single drink paid  
Because they want, want me in the club  
But if you got the numbers I'll be glad to show you love  
Cause baby, I'm an XO n-gga coming up  
Every time they play my song I'mma fill another cup  
Cause I'm down for whatever I can always keep it up  
All I need is some liquor just to keep a n-gga up (oh  
yeah)

[Hook x2: The Weeknd]  
I'm gifted when I'm faded  
I'm faded all the time  
Because I know that's when they love me  
They love me when I'm high  
When they love me  
I get money, I get money, I get money  
When they love me  
I get money, I get money, I get money

I be gifted when I'm faded  
Faded all the time  
Thought they loved me when I made it  
N-ggas hated all the time  
It's a dirty game  
Try to find a bitch  
Maybe get married  
That's like pissin' in a freezer  
Trying to make canaries

Hawk vision, L.A. heels right on Huff Terrace  
Making wishes, now I'm french kissing your bitch in  
Paris  
Come and find me .. that's from '92  
Heard your small ass when I bought her a number two  
Dipping and you know it  
I be pimpin' like I owe it  
Come and find me now, I got an army with me now  
Turn your brains oodles and noodles  
For thinking you got a screw loose  
I tighten you up  
Them coroners will button you up

[Hook x2]

I'm gifted when I'm faded  
I'm faded all the time  
Because I know that's when they love me  
They love me when I'm high  
When they love me  
I get money, I get money, I get money  
When they love me  
I get money, I get money, I get money

[Verse 3: French Montana]

Tony Montana on his last batch  
This that Wayne Gretzky on his last scratch  
This that Derek Jeter on his last catch  
This that Whitney Houston on her last track  
This that Tiger Woods on his last swing  
This that Jimi Hendrix on his last string  
This that Larry Davis on his last bang  
You can call me Hugh Hefner on his last fling

[Hook x2]

I'm gifted when I'm faded  
I'm faded all the time  
Because I know that's when they love me  
They love me when I'm high  
When they love me  
I get money, I get money, I get money  
When they love me  
I get money, I get money, I get money
