Akon
Montana

This concrete's too cold to be walking on it
Oh yes, walking on it with no shoes on
Don't wanna struggle oh no
Don't wanna kill to come and have it
I'd be living in my lot a week no shoes on
Let me get up out of here but alright
Hurt somebody, oh I have to hurt somebody, alright
Hurt somebody, oh I have to hurt somebody, alright
Hurt somebody, oh I have to hurt somebody, alright
Hurt somebody, oh I have to hurt somebody

My mama need a crib, sign me some Jordan's
This some bullshit, cause I can't afford it
Band's listening and the band record it
Trying to flush the pen hoping I survive the morning
It's getting hot-hot, man I'm talking scorching
Watching bodies drop, trying to make a fortune
Dancing in no pop trying to stick my fork in
Want her on the block? Then you got to put your work in

This concrete's too cold to be walking on it
Oh yes, walking on it with no shoes on
Don't wanna struggle oh no
Don't wanna kill to come and have it
I'd be living in my lot a week no shoes on
Let me get up out of here but alright
Hurt somebody, oh I have to hurt somebody, alright
Hurt somebody, oh I have to hurt somebody, alright
Hurt somebody, oh I have to hurt somebody, alright
Hurt somebody, oh I have to hurt somebody

Provenive dale instead of calling
Dreaming out the sale, tell me wake up in the morning
Magic warp, always disappears
Smoked got my eyes blurred
But my vision clear
Hot head, but this concrete cold
Titanium shine on the road
Never judge me before you judge yourself

You ainâ€™t got to help me
You help yourself
Nigger up in here
I donâ€™t know what to do
Well tell them Iâ€™m in the mob
I donâ€™t own them
Iâ€™ll take the sugar sharks
They canâ€™t breathe out the water
Iâ€™ll tear your ass apart and put you out of order

This concreteâ€™s too cold to be walking on it
Oh yes, walking on it with no shoes on
Donâ€™t wanna struggle oh no
Donâ€™t wanna kill to come and have it
Iâ€™d be living in my lot a week no shoes on
Let me get up out of here but alright
Hurt somebody, oh I have to hurt somebody, alright
Hurt somebody, oh I have to hurt somebody, alright
Hurt somebody, oh I have to hurt somebody, alright
Hurt somebody, oh I have to hurt somebody
