And the money call nigga I'm on it  
Nigga I'm from the streets

[French Montana]

Got the proposition, with no pot to piss in  
We the hardest out, it aint no competition  
And I be's the jungle fever  
Get the hard cheaper, lower than a dark caesar  
Unbeatable, unbelievable all the drug dealers love me

Here's a half a brick nigga you don't need a show  
But I took it easy like I don't see the toll  
Jewelery 3 below, niggas get peter-rolled  
Tunnel vision on that money I don't see a hoe

High as fuck at the game sittin courtside with my bad

Just a couple names you should fear  
Nowhere near tired, but had a good year  
The bitches still choosing niggas hating on me
