Please accept for the way I am (way I
am)

I don't know no other way to be a
better man (better man)

I'm just me(just me), I'm just me
(just me), I'm just me

Baby, I'm just me (just me)

Please accept for the way I am (way I
am)

I don't know no other way to be a
better man (better man)

I'm just me(just me), I'm just me
(just me), I'm just me

Baby, I'm just me (just me)

She was the bride I played the groom
around

New addition to my team, how I will
cool it down

Not a headache for a second like she
new around

And still we act as if we teens, you
wanna fool around?

LOV, everything my fourth letter
Know the man she got is custom like
that Porsche leather

That girl you got right there is a
vixen, you should on set her

She just really on the hunt to see
who throws cedar

But I didn't came across a queen no
Usually I cancel these fake bitches
like nino

911, Reno

Fake caps on the block, we may
Pacino

Blowing this album faster than C-
notes

Without me it've never been real
around and she know

So she play her part from the start,
we in the light

The worry 'bout things coming after
dark uh

Baby, I'm just me (just me)
I'm hurtin' these, air force burgundies
Word to me , out fresh like I'm on
work release
Town got us on to do the surgery
I cannot lie, shots fly, no perjury
A lot of people still and some have
never heard of me
I give racks on rats and break
vertebrae
And I don't know no other way to be
Walk up when you say to me
I move the word from A to B
Everybody in my phone is calling me
from A to Z
Numbers never answer, tried to call
'em, come away with me
If they serious or just curious
But I killed the cat like curiosity
The line back cuz I see him still
blockin' me
Legs aye like touchdown arms, it ain't
no stoppin' me
It's just the way that I am, shit I'm a
man
Gone wild like I'm fresh out the can
uh
