Annotate [Intro]

Yeah

It's time for the smoke and mirrors to come down  
Niggas be talkin', but they don't be livin' that shit  
A whole lotta deception goin' on it the world  
It's Original Bad Boy Gang, nigga  
Check this out  
Click, clack  
Bang, bang

[Verse 1 - French Montana]

Diamond Range Rover  
Chains like a dope dealer  
Fourth quarter player  
Three quarter chinchilla  
Gold chains, golden boy  
Front row sitter  
Niggas buyin' cars, we buy the whole dealer  
We buy the whole plane  
While them hoes playin' with 'em  
100 chains, all the bad hoes came with us  
Shawty held me down when the people on it  
Ghostface, right hand, eagle on it  
My brother keeper, with the motherload  
And I ain't fuckin' undercover with them cover hoes  
Talkin' 100 chains on, cold dealer  
Montana, write your name on the smoke and mirrors

[Hook - Ne-Yo & French Montana]

If the money ain't the issue I  
I don't subscribe  
If the money ain't the reason  
Well then the question is why  
Get money with my people  
Then we never divide  
It's for the love and the money  
Make her love stay real  
And the money multiply  
Them niggas can't go where we go  
They can't get dough like we do  
Them niggas can't smoke like we smoke

Them niggas can't go where we go  
Cause we go wherever we want

[Verse 2 - French Montana]  
I skip prayers just to make money  
I hope God forgive me, man  
I was hungry  
I'm tryin' clear my thoughts and?  
Apple red Porsche, army guns, air force  
Tryna count bills in the sunny hills  
Balenciagas, make more than doctors  
My crib bigger than your school, nigga  
I'm just skiing in the pool, nigga  
10 mil just to settle, nigga  
Dead-ass like?, nigga  
I done started from the block, boy  
Now me and Ne-Yo on the top, boy

[Hook]

[Verse 3 - Raekwon]  
Ayo, that's me kid  
Words produce  
Harry Winston under the goose  
Half moon, the wave's exclusive  
Catch me uptown shopping in a?  
Watch cost 1.5, I got the blue shit  
Everybody love me  
His texture's automatic money  
Independent drug game dummy  
Gettin' his, raisin' kids  
These are big boy scholars  
Flash money like Floyd  
Got the big gold wallet  
Roll out, it's 40 of us frontin' a bus  
That's the new stretch bubble  
Pipe the color of crust  
Gettin' high, chillin' fly, yellin'?  
Now I'm in hard bottoms  
Larry King, suspenders and bow tie

[Hook]
