Future

All my niggas said me yayo
Let this fool move til I say so
We getting to them peso
We stacking taller than some lego
And we living like hella round God
Keep this on a frail over my eyes
I spend a half a mill on ride round
I'm ahead of this fly guy

Niggas kingpins, let em tell it
Smoking on that OG, from a hundred blocks you can
smell it
Big pounds on steroids, cars like dealership
Baby on that glovon, talking hundred million dollar shit
Hundred shells, now turn top where that came from
The murda block, them coke boys
And I heard about what turned em out
Shorty pop pussy then she pop a pill
Had a million cash before I signed a deal
My eyes blurry in that clear port
We make your movies niggas, grab the chair for it
Top down, that car move
My Versace Rolls, my house shoes
One million hundred thou mover
Fuck with Los you want power roser

All my niggas said me yayo
Let this fool move til I say so
We getting to them peso
We stacking taller than some lego
And we living like hella round God
Keep this on a frail over my eyes
I spend a half a mill on ride round
I'm ahead of this fly guy

Crawl up and I'm looking like a shark up out the water
Work up out then dropped em, hello, can I take your

order?
Hay ships all across the sea, them stones around the
border
People honest they could smell a cocaine order
Slippin on it, trapeze
Ball until I got bad knees
She suck until she catch dead throat
Deep going deep, catch on
I was off in that chopper
Break em off, yea I gots it
Fucking niggas impostors send my goons up in su casa
5-4 we some hustlers, bunch of pigs don't fly straight
My bezzle be so frozen, that bitch gon make time wait
That fool bitch is rolling, they look like a landscape
So if I'm broke broke I go prom man
I'm creeping through your fry skate

All my niggas said me yayo
Let this fool move til I say so
We getting to them peso
We stacking taller than some lego
And we living like hella round God
Keep this on a frail over my eyes
I spend a half a mill on ride round
I'm ahead of this fly guy
